

ALGONQUIN

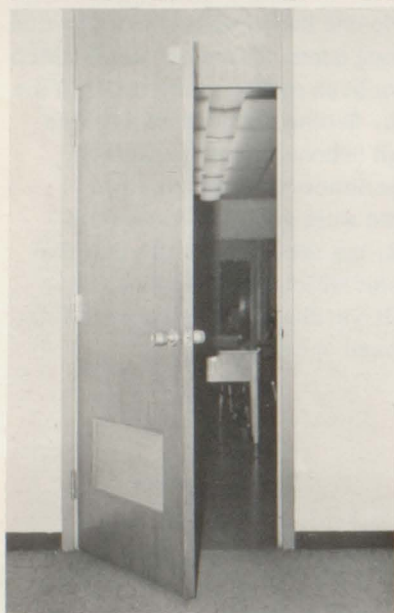

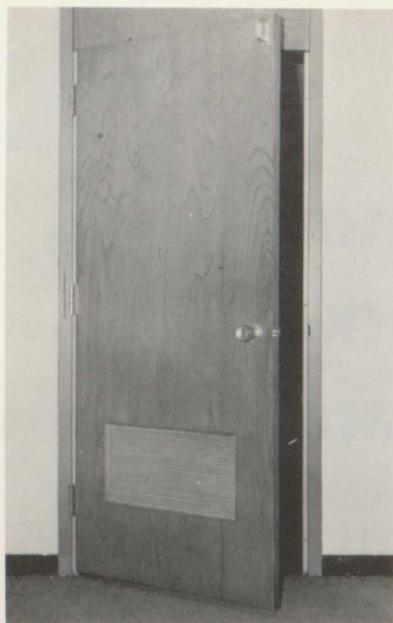

The 1974-1975 Algonquin Algonac High School Algonac, Michigan

No one knows what goes on behind closed doors. These are words which have been spoken many times in the past. Behind the doors of Algonac High School, many memorable experiences have taken place. Some were good and some were bad, but the fact remains that the events which have happened have built the character and personality of each one of us.

Spirit Week and Homecoming

Me too!

Bleep! Bleep!

I need burping!

Everyone looks forward to Spirit Week. The creativity and imagination which is expressed is unbelievable. There is an extreme amount of class effort which produces the friendly atmosphere that makes this week worthwhile.

Each class chooses a theme in which they decorate their hall accordingly. "We're Out of This World" was the theme for the Senior Class. Their hall was decorated like the universe and many martians and spacemen walked the halls of the High School. The theme for the Junior Class was "Junior Junction," that of a Western town. Many sheriffs, Indians, cowboys, and saloon girls strolled through the frontier. The Sophomores used an "Undersea World"

as their setting. Numerous fish, mermaids, skin divers, and sailors floated around the corridors. The Freshmen took their theme from the Freshman initiation of Spirit Week. They wore bibs claiming them to be "Rat Babies."

The Varsity Club held its annual slave sale on Wednesday of Spirit Week. All the new members of the organization were auctioned off. A total of \$115 was collected and Walt Kenzie brought in the highest amount of \$10.

Thursday evening provided fun for all at the rally and bonfire. Unusual costumes and floats were presented in the mini parade and many students participated in exciting games and races. Refreshments were provided and the evening was summed up with a bonfire.

The week was concluded with exciting moments. Don Smith accepted the Spirit Jug on behalf of the Senior Class, and Sharon Mardigian was crowned Queen of the Homecoming, with Russell Funk as her escort. The week was made complete with a dinner and dance held at the High School, which brought entertainment and life-long memories to all.

This year the band showed their fans that they could do more than just make music. With their featured halftime show entitled, "Let's Dance," the band, along with the 16 majorettes, performed dance routines to "Joshua" and to "The Hoe Down." But this was not the end of marching season. With an additional 3 1/2 week extension, the Band marched a mile and a half each day to prepare for the J. L. Hudson Thanksgiving Day parade. Finally the Big Day arrived and the Band marched their way into the hearts of millions over nation-wide television.

This year the Band hosted the Annual County Band Festival which included all participating bands from St. Clair County.

The talents and enthusiasm of the Mixed Choir have grown considerably in their second year. The choir has increased in size with the addition of a Girl's Chorus in the high school and a 7th and 8th Grade Chorus.

The first concert given toward the end of October, was performed by all three of the choirs. The theme of the concert was "Folk Music." The students dressed in typical folk style: jeans and flannel shirts. Pumpkins and corn stalks were provided for the scenery.

The second concert was the "Christmas Concert." All three choirs participated in this concert also. Candles and robes for the Mixed Chorus were added to give Christmas spirit. Both concerts were performed at assemblies in the Junior High and High School.

High School Girls and Mixed Choirs also presented a program for the Athena Club at the Trinity Methodist Church in Algonac.

The Student Council this year, again, organized the successful Homecoming Dinner Dance. Other activities included the concert by "Life," hosting parent-teacher conferences, and the Good Fellows Drive. The Student Council and Student Faculty board also met on several occasions to discuss many school problems.

Spanish Club

It was slightly crowded.

Always neat!

On top of the Pyramid of the Sun.

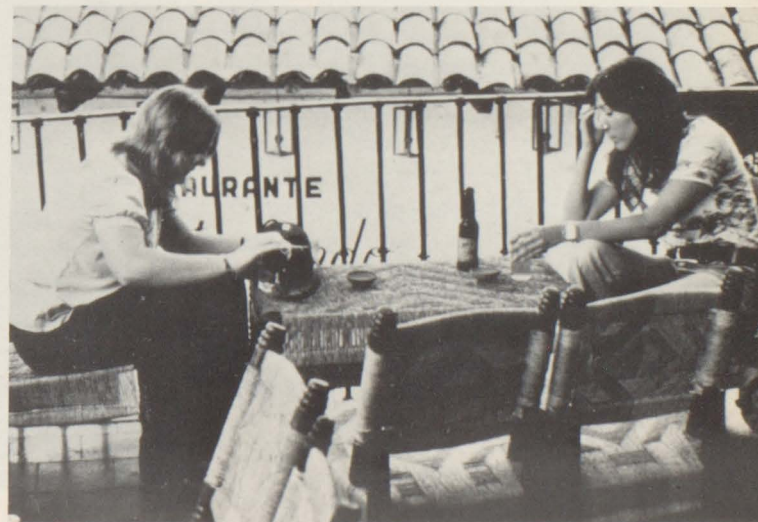

The Spanish Club went on a twenty-nine day vacation to Mexico. Everyone had a good time, and it was a genuine learning experience.

While in Mexico, we visited the cities of Puerto Vallarta, Guadalajara, San Luis Potosi, Mexico City and Acapulco. We visited many small and large markets, attended the Ballet Folklorico, saw the cliff divers and the night lights of Acapulco, and went swimming on many nice beaches.

There were many exciting experiences, many of which we cannot tell about. Barb was the only one who did not get Montezuma's revenge. Jim had his pocket picked by a fleeting Mexican in a crowded Mexico City subway. Joel and Rusty ate many delicious delicacies, even though sometimes they didn't know what they were eating. They admit everything was good. The memories of this trip will live in their minds forever.

Smile!

Carta Blanca.

Varsity Club

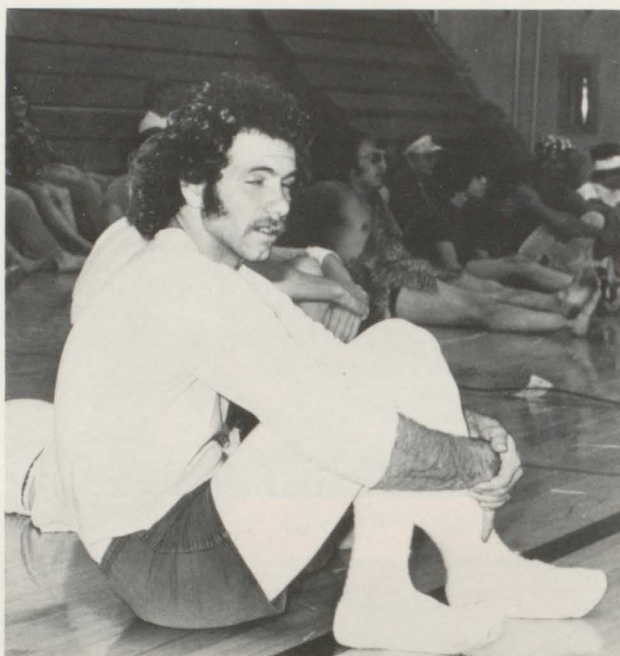

Rollin' in the dough.

The Varsity Club, again this year, contributed a lot to sports at Algonac High School. They, along with the Booster Club, sold the Booster calendars door to door and it was a success. They had another slave sale which also drew a large turnout. The parties were a success. One party, the Millionaires party, which was not supposed to be a money raising project turned out to make money for the club because of the obsessive gamblers. In all, the Varsity Club is active, and a lot of fun.

Office Education

If you take that picture, I'll kill you!

Sleeping on the job!

The two hour Office Education Blocks prepare Senior girls for secretarial jobs after high school. All aspects of advanced secretarial training are covered in class; and in an attempt to gain practical experience, the classes offered their clerical services to faculty members and community organizations.

This year, the Office Education program was expanded to include two sections taught by Miss Mary Jones and Mrs. Colleen Webb, as well as a more complete selection of training materials and office equipment.

The classroom atmosphere is a realistic office setting including secretarial chairs, desks, photo copier, dictaphones, as well as various other machines found in modern daily offices. Carpeting was another added feature this Fall.

A Christmas Open House was held for parents, faculty, and Board of Education members. Students from both blocks worked together planning refreshments, designing invitations, and decorating the room. The great amount of work resulted in a successful Open House which hopefully will turn into an annual event.

Office Education has been very active throughout the year training themselves in the best way possible to face the realities of the world of work.

Students in the Cooperative Education Program earn money working at part time jobs while gaining valuable knowledge of business and industry.

An agreement between the student, the employer, and the school allows the student to gain occupational skills which may be used after graduation.

The Girls' Basketball team completed a fine 21 win and 4 loss season. The girls lost their first three games, but stormed back to win 21 games in a row, the League Championship, the District Championship, and the Regional Championship. It was a hustling and well balanced team. The girls were unselfish in that in most every game they had a different high scorer. They were led on the floor by Liz Gerber and Kerri Venhuizen, who gave leadership and inspiration. The whole team gave perspiration as they practiced through the summer all the way until December.

The team promises to be an absolute dynasty in the future. Sophomores Doreen Grote, Brenda Venhuizen, and Diane Jezdimir are real comers along with Freshman Gigi Yax.

The 1974 Tennis Team was one of the best in the history of Algonac High. Their over-all record of 15 wins, 5 losses and first place finishes in the S.C.A.L. Tournament and the State Regional characterizes the outstanding season they had. In addition, for the second straight year, Jorge Isaac won the League and Regional singles championships and won two matches in the state tournament before losing in the quarter-finals.

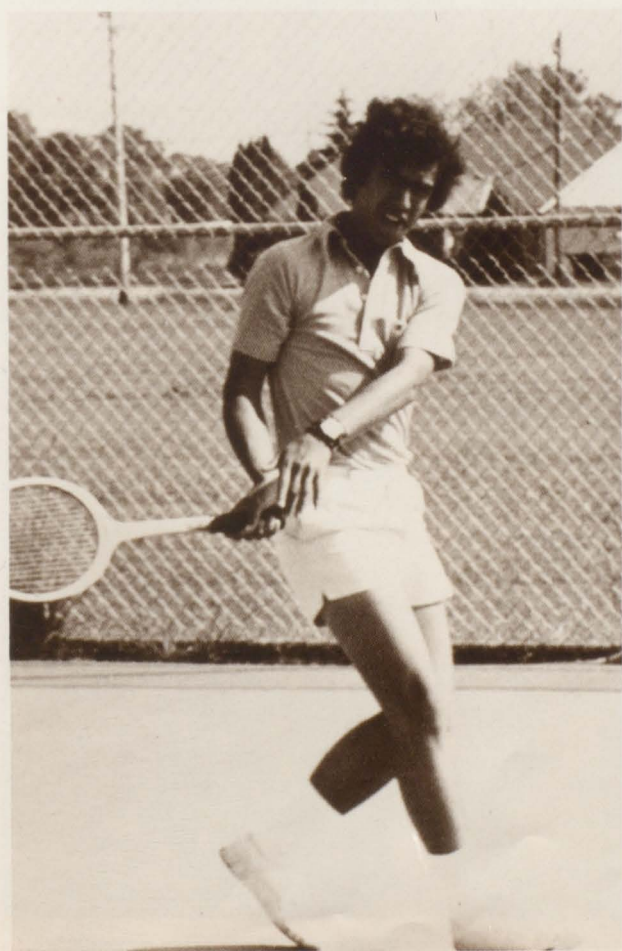

With eight letter-winners returning, we look forward to another fine season this year.

Hartman strides to another victory!

The Algonac Matmen have seen their greatest season thus far, winning seventeen of their eighteen dual meets. They placed second in the "Bay Area Tournament," and were the championship team in six other tournaments, including the "S.C.A.L. League Tournament" and the "State District Tournaments." In the League, Algonac had six individual champions. They included: Mike Giampartone, Bill Kelly, Steve Goerlich, Demetrius Green, Craig Humes, and Darcy Diot.

Algonac was led this year by their one-hundred and five pound captain, Mike Giampartone. Both on and off the mat his leadership and determination were part of the strength of Algonac. Other seniors include: Sam Allen, Craig Humes, and Mike Farver. All were varsity wrestlers and assets to the team. They gave courage to the younger wrestlers.

Other achievements this year include Junior, Steve Goerlich, who became the biggest winner at Algonac with over eighty career victories. Also this year Algonac collected its one-thousandth win.

With visions of better years to come, Algonac's wrestlers look forward to the coming seasons.

This year's Basketball Team completed a good season with a 13-8 record. The Muskrats were a run and gun and pressing team. Their defense was one of the top defenses in the area. The Muskrats were led by Seniors Rusty Chatfield, Jim Garrett, Tom Cassady, John Highstreet and Dave DuVernay. They received an added scoring punch from Junior Rick LaParl.

In their last game of the year, the Muskrats tried a stall and almost upset Marine City, but they fell short 14-12. This received much criticism and publicity, but it was done to win, and it almost worked.

All in all, the team had few problems and had a good time playing basketball.

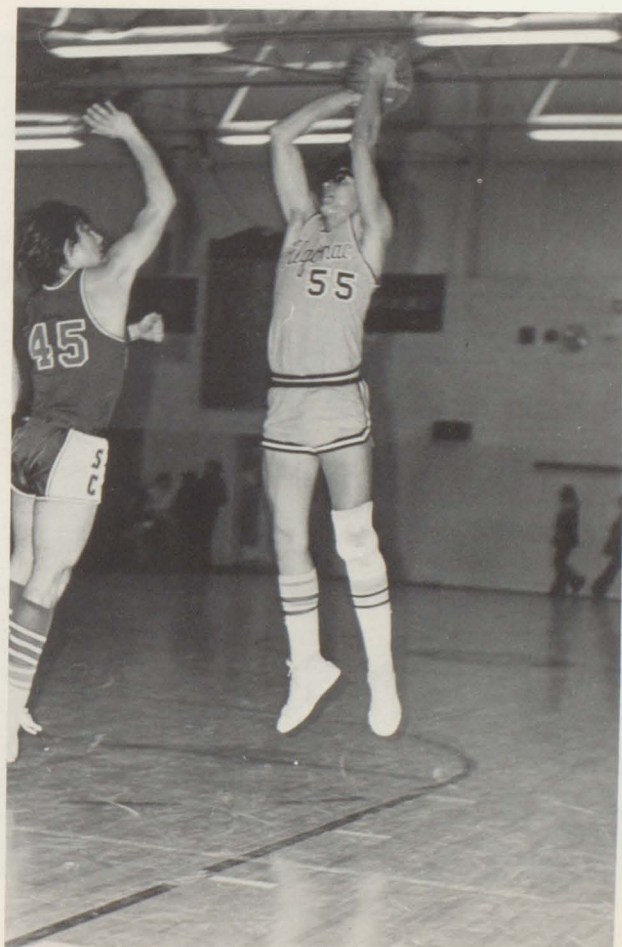

Wouldja get off my back!

This year's yearbook is dedicated to Mr. and Mrs. George A. Johnson.

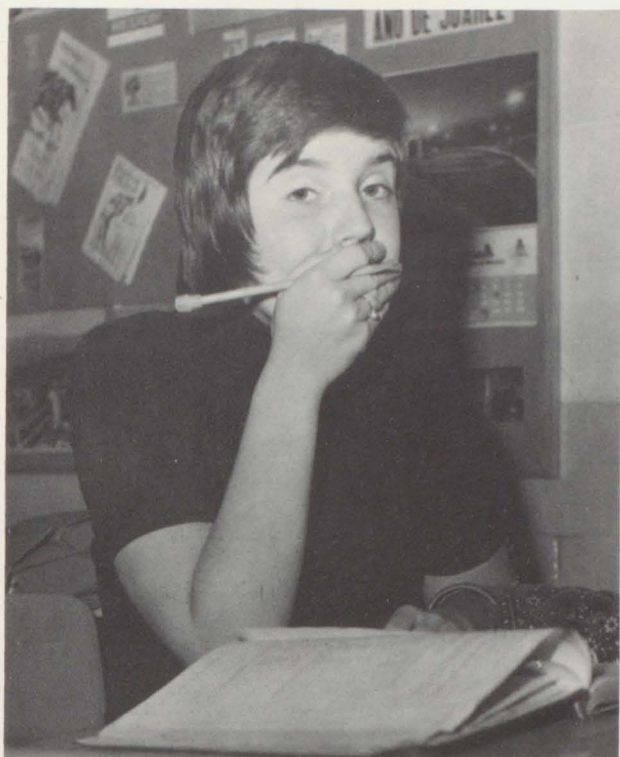

Mr. Johnson was raised in Mancelona, Michigan. He graduated from Ferris State College where he played four years of football and majored in English and accounting. He also received a Master's degree in Administration at Wayne State University. Mr. Johnson served in the United States Army from 1942-1946 and became an ordinance captain.

Ann Kratz (Mrs. Johnson) grew up in Philadelphia, Pa. She graduated from Wilson College, Chambersburg, Pa. after receiving a full paid scholarship through a world-wide College Board Entrance Exam. Mr. Kratz (a well known Philadelphia lawyer who entered college at age 13) heard of a school teaching job in Onaway, Michigan. Ann Kratz began teaching there, and as God would have it, so was George Johnson. They were married in May of 1941.

Mr. Johnson joined Algonac High School in 1941 as a business education teacher. He became principal in 1947 and became superintendent in 1969. Mrs. Johnson began teaching in 1957 and retired in 1974.

Mr. and Mrs. Johnson have been active in school, community and church. The Johnsons are as close as we will ever see to perfect citizens and Christians.

The 1974-75 Yearbook Staff started out the year with enthusiasm and new ideas. There never seemed to be a minute's rest from drawing layouts, typing, editing, developing and printing pictures. We struggled to meet every deadline, but we always managed to get done on time.

We would like to add special thanks to Jim Garrett for being our reliable proofreader and to Jim Way for helping us with copy.

Keki Bucchioni (Italy)

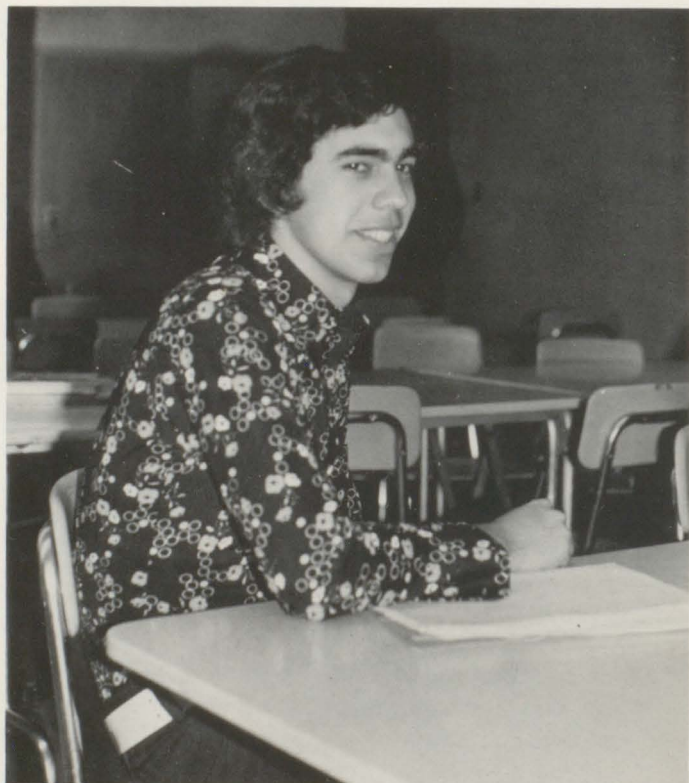

Eduardo Guiterrez (Colombia)

This year Algonac High School has three exchange students. They are Efrain Isaac, Eduardo Guiterrez, and Keki Bucchioni.

Efrain Isaac, nicknamed "Popeye," came to Algonac from Baranquilla, Colombia, and is staying with the Angers family. He enjoys snow skiing and tennis and he plans to try out for the tennis team in the Spring. Popeye wants to attend the University of Florida with his brother Jorge, a past exchange student of Algonac High. He hopes to someday become a doctor.

Eduardo Guiterrez came to Algonac from Bogata, Colombia, and is staying with the Majeska family. He likes Algonac very much and he even likes our cold weather! He plans on playing tennis in the spring with the Algonac tennis team. His future plans are not set yet, except, he plans on going to college in the United States.

Keki Bucchioni, our exchange student from Rapallo, Italy, is staying with her Aunt and Uncle, Mr. and Mrs. Germano Baroni. Keki is a great sports fan and enjoys tennis, javelin throwing, and shotputting. Keki also participated on the Girl's Varsity Basketball Team. Keki, now a junior, plans to finish her junior year in Algonac and then go back to Italy to finish out high school. After graduation, Keki has hopes of attending an Italian university to become a language interpreter.

The Senior Class does not only have memories to look back on, but now they have the future to look forward to. There are many doors, both opened and closed that lie in their paths, and many new opportunities which must be explored. It is our hope that each door will open up a new and better life, and that each individual will reach their goals with success and happiness.
